Chosen for ^{would (US/R)} war:

- Accident (i.e. wrong tape) (.

- Unintentional

- Terrorist (Challenge
Ann & Krivkykyo)

→ False alarm

- Crisis ^{US/R} esc. (see MCT on mutuality)
(see WWI) Alternate state

(- FU of US or other → crisis, as above mentioned)

A vs. H

Highest priority for ^{US} arming since May 1945:

NO A-Bombs

NO H ; ICBM ; D.M.

The clanger to the world has gone, exponentially

though the destination has not yet been realized.

Out ^{for} worked — has reliably been people things.
